Job Description

As a Pricing Coordinator you will,

- Calculate and implement annual price increase changes in our ERP(SAP) system and the customer facing order platform NEPTUNE
- Responsible for the assessment, calculation and implementation of pricing for all new machines and options
- Coordinate list price and discount rate changes in the ERP system
- Ensure that our dealer ordering platform is up to date with accurate pricing and correct machine templates at all times
- Be the first point of contact for our Dealers for any functional issues within NEPTUNE
- Maintain list price documentation and work in conjunction with Finance to always apply accurate cost information e.g third party suppliers
- Collect market information, concerning price developments
- Working closely with the Pricing Analyst and the Pricing & Profit Specialist in the development of strategic pricing plans
- To supply monthly and ad hoc reports on pricing performance to senior management as part of the Sales Operations KPI dashboard

To be successful as a Pricing Coordinator you need,

- 2 + years of experience in pricing
- Hands on experience with SAP/ ERP systems
- Analytical skills with a flair for numbers
- Excellent communicator and ability to work with multiple stakeholders
